WOOD CARE PRODUCTS

Scratchide® Touch Up Pens
Conceal nicks and scratches in one easy step with actual stain. Ideal for use on furniture, cabinets, woodwork, paneling, doors and other wood surfaces. Available in eight popular colors.

Putty Sticks
Quickly fill nail holes, mitered joints and scratches on cabinets, woodwork, paneling and veneers. Available in eight popular colors.

Lemon Oil
Restore beauty to interior surfaces such as paneling, cabinets, doors, ranges, refrigerators, marble, tile and fine furniture by providing the moisture needed to resist cracking, peeling and discoloring. Recommended by many professionals as a replacement to furniture polish because it does not leave an ugly buildup.

Paste Wax
Formulated with imported carnuba to provide outstanding durability and allure to floors, furniture and other woodwork.

Cleaner & Wax Remover
Dissolve wax and polish buildup and help restore the wood's natural beauty.
